

FALL 2018 RECRUITMENT COUNSELOR APPLICATION

Dear Applicant,

Thank you for your interest in being a Recruitment Counselor! Becoming an RC is an amazing opportunity that can be the highlight of your Panhellenic experience. As an RC, you have the unique opportunity to bond with Greek women from every chapter, gain leadership experience, and help potential new members find their home in the USC Panhellenic community.

RCs are vital to recruitment since they serve as mentors and impartial voices for the potential new members. In order to be effective, an RC must be dedicated, responsible, and enthusiastic about promoting our values-based recruitment. With the new recruitment structure, we are also looking for women that are adaptable and willing to contribute to the groundwork of the redesigned recruitment.

All applicants must also have participated in the sister-side of recruitment, attend training and bonding events, and participate in RC school the week before fall recruitment. RCs are expected to disaffiliate once selected for the position beginning this summer to facilitate the Panhellenic mindset. This means adjusting your privacy settings on social media, abstaining from wearing your letters, and no contact with your chapter during recruitment.

Please use this application to demonstrate how you can be a strong asset to the RC team. If you have any questions, feel free to email me at uscphcmembership@gmail.com. The Panhellenic Board looks forward to reviewing your application!

Sincerely,

Emma Olds
Director of Recruitment Counselors
